Learning Programmes

@ WOW zone

WOW Zone teachers also deliver exciting after school learning packages to over 400 children a year as part of our offer to schools. Many schools use Pupil Premium funding and target this provision accordingly. All packages are tailored to your requirements and include transport to and from the WOW Zone.

WOW Zone is part of Wythenshawe Community Housing Group's Community Investment programme.

"An engaging and exciting experience for our pupils"

(Teacher, St John Fisher RC Primary)

Packages include:
Movie Making
Music Technology
e-Book Publishing
Programming Skills
Animation
