## ABOUT US

All of our training sessions will be delivered by Lisa Whittaker and Louise Zwanepoel, both qualified teachers and Apple Distinguished Educators (Class of 2015).

"I HAD TIME TO APPLY MY NEWLY TAUGHT SKILLS AND HAVE A PLAY!"  
(TEACHER)

## ITUNES U COURSES

All of our courses will be accompanied by an iTunes U course which includes the materials and apps you can download prior to attending the training session. You can do this by downloading the free iTunes U app, and entering the enrol code that we will provide upon booking your place. It will be a useful resource for you to take back to your setting, to share with your colleagues and remind you of the content covered.

"I LIKED THE VARIETY OF THE SESSION. THERE WERE LOTS OF DIFFERENT APPS AND PRACTICAL USES FOR THEM. THANKS!"  
(TEACHER)

## FURTHER INFORMATION

For more information about our courses please visit:

[www.wowzone.org.uk/apple-regional-training-centre/](http://www.wowzone.org.uk/apple-regional-training-centre/)

There are a maximum of 18 places per session, therefore booking is essential. All course times and content are subject to change.

Our partner Apple Solution Expert is Jigsaw24. Their Education Manager, Richard Child, will be attending some of our training sessions and will be available to discuss your setting's technology needs.
